

Snow Removal

Snow and ice must be removed from sidewalks within twenty-four (24) hours after the snow has fallen or the ice has formed.

The borough is permitted to remove snow or ice not removed by owner after 24 hours, and all costs will be billed to the property owner.

Snow may not be shoveled or placed upon any portion of any street except that portion of the street extending four (4) feet centerward from the curb or from the edge of the paved portion of the street if there is no curb.
